Guides take Home Nursing course

For the past six weeks under the direction of Mrs. Anne Hegland, 22 Girl Guides from the 1st, 3rd and 4th St. Albert Guide Companies have been taking instruction in the Junior St. John's Ambulance Home Nursing Course. This consists of learning how to take care of a patient in the home, bed care, assisting the doctor, diet, etc. and preparing the girl for any emergency arising in the home. The course was made possible through the kindness of the Grey Nuns of the Youville House who provided the Aus-

toriums for this purpose. Mrs. Hegland who gave the lessons, Sister Simone Majeau, who prepared and provided the necessary materials and examined the tests. Practical demonstrations were given and patients were used for actual experience. This course has been offered to Girl Guides by the Sisters for approximately six years. This largest group to be taught in St. Albert to date consisted of: Cheryl Austin, Karen Fule, Linda Fule, Betty Lemonsky, Theresa Michagary, Helen Tardiff, Simone Dettler, Dianne Conway,

Sharon Conway, Louise Lacombe, Roseanne Richard, Cheryl Souther, Rita Graham, Mary York, Lorne Harvey, Kim Donald, Linda Novacluse, Ronde Matthews, Kerie Haxton, Sharida Blackie. The girls who attended the course did not take the test.

Mrs. Hegland is a graduate nurse from Prince Albert and Sister Majeau from Saskatoon, Sask. The captain of each company co-operated in sending Guides to participate. Everyone concerned with the project is certainly to be congratulated.

OPEN LETTER

to all citizens in St. Albert and District.

The following letter was sent to me on February 27, 1965.

February 23, 1965

Mr. Willem J. Netelenbos,

RE: W.J. Veness, R.E. Kehling,
R.S. Fowler and L. Wheating.

Dear Sir,

We have been consulted by the above named individuals with reference to four letters which were published in the St. Albert Gazette of January 30th, 1965, on pages 12 and 13 of that edition. These letters clearly are a gross and malicious libel upon Mr. Wheating and the Mayor and Councillors of the Town of St. Albert.

You are, therefore, requested to publish a full and unqualified retraction and apology.

Moreover, having regard to the circumstances and the status of the persons whom we represent, our clients do not consider that an apology alone will meet the case. In addition to an apology, our clients must also ask that you submit a substantial sum by way of compensation.

Unless steps satisfactory to our clients

are taken within one week from receipt of this letter, appropriate legal proceedings may be instituted against you without further notice.

Yours truly,

BROWNLEE, BROWNLEE, FRYETT
& GEDDES

As I see the publishing of these letters as a purely democratic principle, which I will defend in any circumstances, I do not intend to publish a retraction or apology. I realize that such a decision could probably harm me or my family, but I am proud to state that my family and I, having suffered five years in a concentration camp, are quite prepared to suffer again for the sake of freedom of expression.

As only three members of Council found it necessary to send me this letter, I feel this proves undoubtedly that the other members of Council could not agree with this action.

The last five lines of the letter have upset me the most, because as a layman, I cannot accept this kind of pressure in a free Canada.

Wim J. Netelenbos

have never been as proud of a group of boys as I was of our team; they were perfect gentlemen, as were those of the other team.

The parents of the Jasper team took our boys into their homes, keeping them overnight and feeding them. In order that they should be protected from injuries while playing, our team was loaned the necessary equipment which all members did not have.

The turnout for both games was very good and I could not help contrasting this with the number that come to watch our boys play in St. Albert.

I wonder why a town that has 2500 people, is so far ahead in Community spirit and equipment, of one that has 10,000 residents?

Is it possible that we are so busy that

we do not have time for our own children, or would we sooner see these young people on the streets?

The Executive of the Minor Sports League in Jasper told me that Mr. Speare, once a resident of Jasper and now of St. Albert, was mainly responsible for the new arena that they now possess. If we could get Mr. Speare interested in sports here perhaps our boys and girls could have the same facilities and equipment that was loaned to our team.

The only man that Mr. Doran and I have been in contact with, all winter, has been Mr. B. Welsh. Our hats off to Barry! He has carried the load which more men should have helped with. Is it not possible to have an ACTIVE Community League in St. Albert?

From Our Readers

Dear Sir,

This is an open letter to the parents in St. Albert. Mr. Doran, Mr. Speare and the writer had the privilege on Saturday March 13th, of driving the Grandin Safety Bantam Hockey team to Jasper Park, to play two games against the boys of that town. We had one game on Saturday, and another on Sunday, in which we were beaten by one goal on each occasion. I

SISTER ST. JOSEPH D'ARIMATHIE RETIRING ORGANIST ST. ALBERT PARISH 1930-1964 When entering the Youville Home, you will see her seated at her desk, this gentle Grey Nun still so devoted to her order and her duties. If time permits, she will converse with visitors, if not, her smile will welcome you. Besides these duties which she now performs daily, there must be moments when her thoughts return to her long life which included her religious vocation, nursing and musical achievements.

May we reminisce with her and recall the many interesting events in her distinguished career since that eventful day of her birth, the 11 of April, 1886. Her father, Laurent Gauthier, a pilot and her mother, Hectoreine Mayrand, brought her to be baptised the very next day in their Parish of St. Joseph in Deschambault, Quebec. Her call to the religious life must have been a strong one, as she left for the noviciate at the age of 21, leaving her family which consisted of Celien, Oblate Father; Emilien, Priest (deceased); Ernest, farmer (deceased) and Olivine, now Mrs. H. Bouillé, as well as her loving parents who died years later.

Her many diplomas received were:

Diploma of the Grey Nuns, Deschambault, Quebec. 1902. "Model avec distinction" Diploma "d'infirmière" Hospital Notre Dame de Montreal. 1920.

Diploma, elementary, intermediary in piano at the Academie Notre Dame, Toledo, Ohio, and advanced Certificate.

Diploma post graduate course in Pediatrics. 1927.

Certificate Civil Defence course in Mar 1953, Edmonton.

Her career as nurse brought her to such places as Notre Dame Hospital as a student, as a nurse at Morristown Hospital, St. Vincents, Toledo, Ohio; Regina, Sask from 1915-1917 and as Director of the School of Nursing from 1917-1919; Nashua U.S.A., Orphanage of Toledo, Ohio, until she came to the Youville Home in St. Albert in 1930, nursing until 1951, and organist until December 1964.

Since coming to St. Albert, Sister St.

Sister St. Joseph

Joseph has been in constant demand. Besides her many duties at the Home, she was organist and director of several choirs - the Adult's Mixed Choir, Ladies and sixty young girls under the name, "Les Pouvettes". During this time she attended and participated at all masses, services and marriages. Though now retired, she still plays the organ at masses and several services! Also, her inexhaustible energies led her to forming the first "4H" club for girls here, what an outstanding example! Sister St. Joseph's only wish is that some one will take her place. In wishing this, she is confident that many religious vocations will be realized because the need is great.

To express our gratitude, the entire Parish and her friends will have a High Mass in the St. Albert Church sung in her honor, Sunday, the 28th of March, at 10:30 a.m., and a Reception in the Auditorium of the Youville Home in the afternoon from 2 to 5 p.m. It is hoped that her many friends and acquaintances will attend, as they will be most welcome.

ST. MATTHEW'S

More than six years ago a small group of Anglicans in St. Albert recognized the need for their church, and this Sunday, March 21, the achievements and discouragements will be remembered as the Anglican bishop of Edmonton, Rt. Rev. W. Gerald Burch, offers prayers at the church site of St. Matthew's Anglican Parish. This site was purchased several months ago and a building committee is being set up.

Sixteen candidates for confirmation will be presented to the bishop for "the laying on of hands" ceremony by Mr. Cecil B. Dawkins, rectr of St. Matthew's, at a service in the Leo Nickerson School Sunday at 11 a.m. This will bring to 54 the number of persons confirmed there since Mr. Dawkins became priest-in-charge in March 1963. Prior to that the rectr of the Church of the Good Shepherd in Edmonton had presented six candidates.

The Anglican community has grown from several interested families in 1958 to about 250 families now. Although the church still requires diocesan assistance, it is rapidly gaining strength and the active families feel concrete evidence of this fact will take the form of a building in the near future. They

have a busy vestry, Women's Auxiliary, A.Y.P.A., and Bible Study groups and have discussed formation of an Anglican cub and scout organization. In addition to 9 a.m. and 11 a.m. Sunday services, the Lenten program includes 10 a.m. house communion Wednesdays at the rectory, 4 Sable Cres.

SUNDAY PROGRAM AT THE EDMONTON PUBLIC LIBRARY

Sunday Concert.

On Sunday afternoon, March 21, from 2 to 3 p.m., the Public Library presents another program of stereo music from its record collection. This week Strauss Waltzes will be performed by the Chicago Symphony Orchestra, Reiner conducting.

Film Program Sunday, March 21 3 p.m.

Neighbours A Norman McLaren film employing his "pixillation" technique, in which the principles normally used to put drawings of puppets into motion are used to animate live actors. The story is a simple parable about two people who, after living side by side with mutual friendliness and respect, come to blows over the possession of a flower that one day grows where their properties meet. (Eight film awards, including: "Oscar", Academy of Motion Picture Arts and Sciences, Hollywood; International Review of Specialized Cinematography, Rome, Italy)

Why only elect two Councillors?

When the Mayor and three councillors were elected last year, the town did not have a quorum. The government appointed a man to make a motion to elect a councillor. At the first meeting of this council, one of the eligible councillors was elected as mayor, and our council was left with two councillors. Therefore, we have an election for three councillors to complete the full council.

DISTRICT PIONEER PASSES

The St. Albert district suffered the loss of another pioneer when Angus Kennedy passed away, on March 15 at the age of 81 years.

Mr. Kennedy was born in Alexandria, Ont. and came west with his parents in 1894. The family settled 3 1/2 miles north east of St. Albert on the farm which was his home for 45 years. He was the owner of the property, the largest value of land in the district. In 1948, he retired to the Town of St. Albert, where he had his home.

As a young man, Mr. Kennedy frequented between Edmonton and Athabasca. He also worked on a survey in Northern Alberta and later on the first telephone line to be erected in the Central and Northern districts of the province. He then returned to assist on the farm which he took over when his father passed away in 1926.

Mr. Kennedy never married. His kindness and integrity were well known, and he was never happier than when his home was the scene of a family gathering.

His family included his wife, Mrs. Kennedy, who was born in 1894. They had four children: John, Robert, Mary, and Joan.

Mr. Kennedy was a member of the St. Albert District Council for many years. He was also a member of the St. Albert District Council for many years.

Notice of Temporary Road Bans - Sturgeon Heights Stage 5

Construction Area - Portions of Elm Road and Namoo Road

The construction of these roads was not completed by freeze-up time last Fall. In order to protect the foamed asphalt base from heavy damage during the forthcoming Spring thaw, it will be necessary, at times, to close them completely to all vehicular traffic.

We regret any inconvenience this might cause but trust that everyone will cooperate in this measure of protection to Town property.
